THE ROUTE

In Metheringham village centre face the Star and Garter and set off following the road round to the left for a few yards before turning right into Church Walk. An enclosed path at the end passes the church and leads onwards to the cemetery. Keep ahead there as the path heads out into the countryside and to a small hand gate before continuing by a wire fence to another gate at Blankney cricket field.

Walk diagonally over the cricket field aiming for the right hand end of a row of cottages by the main B1188 road where there is a kissing gate. Join the road, turn left and keeping ahead at a "T" junction pass the former hall entrance to reach the spacious green by St Oswald's church.
