

SECTION 1 - STAGE 5

NOCTON TO DUNSTON

START : The Green near All Saints church, Nocton.

DISTANCE : 1¼ miles : 2.0 kilometres

REFRESHMENTS : Red Lion Public House, Dunston.

NOTES. Parking in Nocton is available at the village hall in Main Road, which is also the start of the village trail. There is limited roadside parking near the church.

THE ROUTE

From Nocton green walk away from the church and take the surfaced lane (The Bridleway) on the left almost opposite the village PO. This eventually narrows to a path as it heads directly to Dunston entering the village at a road next to the village school.

(For the Red Lion inn you should now turn left for 200 yards or so, ignoring a dead-end lane at the first bend.)

The trail however continues along the footpath just across the road to your right; this leads through to Middle Street where a right turn will bring you to the church with a small green and seat nearby.
